The minor must initial, sign, and date on the two lines marked with the "Here" arrows. A parent or guardian must sign and date on the line below the participant signature (only one signature is needed).
- **Consent to Travel to Mexico for Minors: Important:** Parents/guardians signatures on this form must be **notarized**. Note that unlike past years, only one parent/guardian's signature is required. But, the parent/guardian must not sign except in a notary's presence. A notary (Wendy Hickey) will be available at no charge at the between the services and at 12:30 pm on both June 25 and July 2. She will not be there at the end of our meetings. Here's how to fill out the form.
 1. Each line has the name of the desired information below it in Spanish and English. Just ignore the Spanish. ☺ Fill in the names of the parent(s) or guardian being notarized and then the minor's name, sex, date of birth, country of birth, passport number, date of issue, and place of issue. If you don't yet have the passport leave those parts blank for now.
 2. Fill in the name of the child and leave the rest of blocks empty. They'll be filled in when we know who the driver is for the vehicle he or she will travel in.
 3. Enter July 22, 2016 in the DATE OF DEPARTURE and July 28, 2016 in the DATE OF RETURN. Leave the other two spaces blank.
 4. Enter the names of each parent/guardian being notarized with the address (including city and state) and phone numbers underneath them. DO NOT sign until in the presence of a notary public.
